

# Money Matters

St. Mary & St. Chad  
Church, Brewood

St. John's Church,  
Bishops Wood

One devastating impact of the covid-19 pandemic is that many businesses and charitable organisations all over the world are struggling for money. The Church is no exception.

We thank you for your continued generosity in these physically, emotionally **and** financially challenging times. Any further donations to our ministry and mission would be gratefully received. Details of the church bank accounts are shown below.

Thank you again

Reverend Phil
